# A... Home Truth.

IT HAS truthfully been said that  
"the home is the common target at  
which all advertisers are aiming.  
That medium is the best for the adver-  
tiser that goes nearest to the home life,  
which is most essential to the home  
living."

In thousands of homes in Richmond  
and throughout Virginia there is a re-  
gard for The Times-Dispatch which  
cannot be shaken.

All advertisers certify to the influ-  
ence The Times-Dispatch has on those  
who buy. That is the test of The Times-  
Dispatch's ability "to make good"  
every day. Every ad. in The Times-  
Dispatch is pertinent testimony, not of  
faith, but of conviction.

Some folks think it requires great tal-  
ent to make want ads. pay. As a matter  
of fact to write a convincing Tee-Dee  
Want Ad. is neither so easy as some  
people think nor so hard as some imag-  
ine. It requires direct statement of  
fact, in the simplest language you know  
--not much more and not any less than  
that.

If you want to buy, sell or exchange  
anything--no matter what--a Tee-Dee  
Want Ad. is more than likely to do it  
for you, and
